36. SPONSOR'S CERTIFICATE AND AGREEMENT:

SPONSOR'S PROPOSAL NO.

DATE 4/10/42

The statements contained in this proposal have been checked by the undersigned and are true to the best of his knowledge and belief. It is certified that this proposed project is for the use or benefit of the public.

It is understood that Federal funds will be expended by the United States Treasury only upon pay rolls and vouchers certified by the Works Progress Administration.

It is further understood that the project will not be placed in operation unless and until assurance is given that the sponsor's pledge will be made available as specified in the proposal, and as required by project operations.

It is agreed that the work proposed, and all operations under the project, will be done in conformance with all legal requirements, the rules and regulations of the Works Progress Administration issued pursuant to the act of Congress under which Federal funds for the prosecution of the project are made available, and in accordance with such specifications as are attached hereto.

It is agreed that the Works Progress Administration is under no obligation to initiate operations under this proposal, if it is approved, nor to complete the project if placed in operation. Further, in consideration of expenditures from Federal funds to be made on the project, it is agreed, if the proposed work is undertaken, that the sponsor will finance such part of the entire cost thereof as is not to be supplied from Federal funds.
